

## Return to Play Plan

July 15, 2020

RV Hurricanes Youth Club (HYFC) is excited to announce that we have received the NJDOH guidelines and we will return to play this summer. Based upon the guidelines, high-risk contact sports, i.e. football, can resume July 22, 2020. We recognize there is still risk associated with the COVID-19 virus but we have confidence that our community will follow the guidelines as they were written and help us safely get our kids back on the field.

Please review and familiarize yourself with the guidelines provided by the NJDOH and the HYFC Return to Play Plan. All who participate in HYFC activities should respect and follow these guidelines. Parents and coaches will need to sign and acknowledge the receipt, review, and the adherence to both the NJDOH guidelines as well as the HYFC Return to Play Plan.

### **HYFC Return to Play Plan:**

HYFC coaches, players, and spectators should follow the guidelines provided by the NJDOH. HYFC reserves the right to update the Return to Play Plan at any time to continue to provide a safe environment. A parent/guardian of each player will need to sign an acknowledgement of receipt for the NJDOH guidelines and the HYFC Return to Play Plan.

1. Signs will be posted at the football field, the entrance of the Lumberton Municipal Building, entrance of RVRHS football field, bathroom entrances, and snack stand, as a reminder of the social distancing, face covering, and good hygiene protocols.
2. Coaching staff and parents/guardians should wear cloth face coverings at any time that social distancing is not possible. Athletes are also encouraged to wear cloth or disposable face coverings when not engaging in vigorous activity, such as when sitting on the bench, when interacting with a coach or athletic trainer, etc...
3. Each weight class division head coach will be supplied with a safety kit: including hand sanitizer and disinfecting spray to be used by the

players and coaches. Also included will be a copy of the guidelines and reference materials.

4. Helmets and practice uniforms will be sanitized prior to distribution to each player. This will be a one-time process. The parents will then be held responsible until that equipment is returned at the end of the season. All training and hitting bags will be sanitized daily and safely stored to be utilized by HYFC coaches only. Equipment will have to be logged out in order to maintain proper cleaning by the equipment manager prior to returning to the storage container. The storage container will be locked at all times with access only to active board members and head coaches.
5. Footballs and equipment used for drills will be sanitized frequently during games and practices. The equipment manager will assign someone to monitor and be held accountable for any equipment that is used for each practice and game.
6. The concession stand will also be open as soon as the game schedule is released. Social distancing will be required and HYFC will follow the same guidelines provided by the DOH and be updated when that information is available.
7. All players/cheerleaders and coaches will be required to have a temperature check, verbal questionnaire, hand sanitizer and sign acknowledgement before each practice and game. This will take place in the parking lot before any player or coach is permitted to be on the field. **ANYONE sent home due to symptoms or a failed admittance screening, must be cleared by a doctor to return to the field.**
  - All players/cheerleaders will remain in their vehicle until designated, team safety manager is ready to begin checks.
